

## Famous Artist BINGO

**Directions:** From the list provided by your teacher write the first and last name of a famous artist in each box. Fill in boxes, randomly skipping around the card, so that all players will have a different game card. When a name on your card is called cover that square with a game marker such as a dried bean or small square of paper. When you have marked four in a horizontal, vertical or diagonal row call out BINGO, you are a winner! Clear your card of markers and play again!
