# Art Self-Critique

*(Kri teek: to discuss a creative work, giving an assessment of its successful qualities.)* Art Self-Critique

Directions: Look carefully at YOUR work of art. Answer each question in complete sentences. Use 4 vocabulary terms: texture, form, line, two-dimensional, three-dimensional, figurative. Circle each vocabulary term you use.

1. Describe your artwork. What is the subject matter? Tell about the materials you used, describe details such as shape, line, and texture.

---

---

---

---

2. Describe the "Big Idea" in your artwork. What would you like the viewer to think about when they look at your work?

---

---

---

---

3. Choose an element or principle of art that is used successfully in your artwork. How has it contributed to your artwork?
