

# This Lesson Meets National Standards

This lesson addresses the following standards established by the National Art Education Association:

3

<b>Content Standard</b>	<b>Achievement Standard</b>
Understanding and applying media, techniques, and processes	Students apply media, techniques, and processes with sufficient skill, confidence and sensitivity that their intentions are carried out in their art.
Choosing and evaluating a range of subject matter, symbols, and ideas	Students use subjects, themes, and symbols that demonstrate knowledge of contexts, values, and aesthetics that communicate intended meaning in artworks.
Understanding the visual arts in relation to history and cultures	Students know and compare the characteristics of artworks in various eras and cultures.
